

Person to Ask	Reccomendation in Reference	Question
	7.7.A	Is there anything that was left out of here that referred to people who are in SRJ for less than 30 days? What can we recommend to address the specific needs of these folks?
Psychiatrist	8.2.A	Although services at Napa seem to be superior, use a psychiatrist as an SME what could be done at the local level (at the jail - how do we treat mental illness better); The question is which facilities to provide services through for these communities. ; What type of treatment would be best for this population? Recommend that the county fund, build staff a 5150 treatment facility? (similar to San Mateo, Santa Clara)
