1)	(Example taken from the County Approved Forensic Plan) County should expand LPS 5150 & 5585 System Capacity to place/release holds countywide.	CBO Organizations providing Mental Health Treatment	 Limited system capacity to initiate or release psychiatric holds appropriately will increase reliance upon law enforcement to address the need for rapid response and support. An increased number of licensed providers will help the system more appropriately assess, transport, and treat individuals with mental health issues and avoid potential incarceration of individuals who simply need referral to other 	 Data: 5150/5585 data for last 3 fiscal years (pre assessment); 5150/5585 data once initiated yearly for three years (post implementation evaluation) \$0 – No costs 	• Licensed providers and/or organizations approved to initiate/release 5150/5585 psychiatric holds should be increased by 50% year one (365 days); by 75% year two; and 100% by year three.

1)	EXAMPLE- (Example taken from the County Approved Forensic Plan) ACBH will increase the number of crisis response calls responding overnight by 150% (Forensic Plan Item "Expand 24/hour Crisis Services Call Center".)	 Crisis Support Services ACBH Access & Crisis Services System of Care Emergency Medical Services (EMS) Board of Supervisors 	Callers find it difficult to get the help they need overnight, particularly when they are experiencing a crisis event that does not require the intervention or support of law enforcement.	\$682,000 Call Records and crisis response afterhours for 3 fiscal years (baseline).	 ACBH will request approval from the BOS, to expand their Crisis Support Services contract to include additional support during the overnight hours. Once approved, ACBH will seek to increase overall system responsiveness overnight and improvements by 50% within 6 months. Then by 100% after one year.

	Recommendation?	Partners?	Problem that it solves?	Data needed? Budget request?	Progress/Outcome Measure?		
1)	EXAMPLE- (Example taken from the County Approved Forensic Plan) ACBH should significantly increase the capacity of residential treatment beds countywide.	CA Department of Health Care Services (DHCS) Alameda County General Services Agency (GSA) County Board of Supervisors	There is an insufficient number of residential treatment beds dedicated to serving the justice involved population. Those with former interactions with law enforcement or with a criminal record, often find it difficult to find placement or to sustain their treatment. Residential treatment can help them to more effectively stabilize, with treatment, and should help to diminish recidivism to jails or hospitals.	• \$16,500,000	 ACBH should provide a plan for how the department will work to identify at least 100 new treatment beds by October 1, 2024. Progress towards the procurement, construction, and operation of the facility should be provided to the MHAB every 6 months.
