Date: February 13, 2025, Thursday

Time: 1:00PM - 3:00PM

Attendees: Ad Hoc Committee Members, ACBHD, RDA Consulting

The meeting was called to order and opened with a welcome.

For communications, the ad hoc committee was reminded to CC the CFJL Task Force & MHAB communications inbox when using the county's email distribution list. RDA provided a brief review of the shared Google Drive for the MHAB CFJL Ad Hoc Committee. Tribble requested the Google Drive link be included. A distribution group list will be created to display all members.

RDA explained updates to the recommendations tracking template, including the addition of CAO and Superior Court. Terry requested adding links to each recommendation in the spreadsheet. The drive serves as a tracking tool, not an analytical tool. RDA may explore project management tools such as pivot tables in the future.

Agency subcommittees provided brief updates on their progress, challenges, and reports. Each subcommittee shared a two-minute update, followed by a Q&A session.

A document outlining data needs is available in Google Drive for reference.

There was also a discussion on the impact of the Trump administration on county funding.

During the parking lot review, key outstanding items were revisited.

To wrap up, the group discussed the upcoming Board presentation, including its content and timing.

RDA will provide recommendations on what to present and key takeaways. Instead of reviewing all recommendations, the group will determine which ones to highlight.
