Summary

RDA emphasized that the CFJL Ad Hoc Committee's main goal is to oversee the implementation of the 58 recommendations. The Mental Health Advisory Board (MHAB) will supervise progress and coordinate with other county agencies to move the recommendations forward. ACBHD Director, Dr. Tribble, confirmed the Board of Supervisors' (BOS) support for the committee's work. The committee has an annualized set of due dates to furnish updates to both the Health Committee and at the full Board.

Chair Bloom shared that the ad hoc committees is temporary and may end any time of the year or may be end of summer 2026. Plans are in place to transition it into a standing committee under the MHAB to ensure continued oversight.

Review of RDA Materials

RDA presented an overview of the recommendation tracker, including a matrix analysis and criteria for evaluating impact versus effort. These criteria will inform the Assigning Impact and Efforts Ratings (AIER) tool, which outlines how recommendations are scored. Ratings have been applied to all strategy areas except for African American Resource Center (AARC) and Collaboration & Case Management (CCM), which contain fewer recommendations.

Subcommittee update and progress reports will be consolidated into the tracker. Each of the nine strategy areas will have a matrix or graph to help identify high priority items. RDA is also introducing color coding to help visualize clarify details.

Subcommittees are encouraged to engage in decision making and determine whether reviews should be conducted individually or as a committee. There are also two reporting options proposed: (1) RDA assigns impact and effort scores to review; or (2) Subcommittees apply the criteria themselves. RDA may provide preliminary ratings before the October 13 BOS Joint Committee meeting.

MHAB Vice Chair Land and ad hoc member Lindsay-Poland will meet with BOS Representative Armstrong on August 11. Agencies will not present at the October 13 meeting; instead, BOS Supervisors staff or agency representatives are expected to attend. RDA will put together a set of questions for the agencies.
